

# Steps to Recovery Names Rivera as Clinical Director

## Addiction Treatment Provider Promotes Manuel Rivera to Leadership Role

**LEVITTOWN, PA – April 17, 2017:** Steps to Recovery is pleased to announce that Manny Rivera, MA, LPC, NCC, has been appointed Clinical Director at Steps to Recovery. Rivera's new appointment will begin April 17, 2017. "The team at Steps to Recovery works in unison to provide individualized care to each client, tailoring the clinical experience to their treatment needs. I'm very excited to move into the position and I believe wholeheartedly in the work we do from top to bottom." In his new role, Rivera hopes to enhance the strength of the clinical program, providing oversight to clinical staff and continuing to support clients through their recovery.

Rivera will oversee the organization's clinical programming and operations. Manuel has close to ten years of experience as a counselor and clinician treating addictive and behavioral health disorders in both adults and adolescents. Prior to the announcement of the new appointment, Rivera served as a clinician for Steps to Recovery and had worked as a clinician for Today, Inc. and CARES New Jersey, and as a staff counselor at High Step. Rivera holds a Master's Degree in Clinical Counseling Psychology from LaSalle University. He is a Licensed Professional Counselor and a National Board Certified Counselor.

"We are pleased to announce the appointment of Manny to our leadership team," said Ryan McCarthy, CEO and Co-Founder. "Manny brings a wealth of experience and knowledge in addiction treatment, enabling us to continue to fulfill our mission of providing intimate, supportive care to our clients, families, and community."

## About Steps to Recovery

Steps to Recovery is an extended care program providing community integrated treatment through Intensive Outpatient, Partial Hospitalization, and Housing Support. Steps to Recovery's philosophy is that recovery is sustained through community and connection. The approach and company culture is to engage clients in ways that offer intimacy, authenticity, and transparency. The staff takes the philosophy into everything that they do and believes these elements allow clients to grow in ways that will sustain their individual recovery.
