

Overview

To meet an ever-expanding need for mental health services in Pennsylvania and the surrounding areas, STR Behavioral Health is excited to announce our new campus opening soon! Our residential facility is nestled on 13 acres in the heart of Bucks County. This unique 30-bed facility, designed with intimate and personalized care in mind, will provide an ideal client-to-clinician ratio for unparalleled individualized attention, support, and holistic recovery.

Our Residential Program

We offer residential mental health treatment in a safe, caring, and compassionate environment for all genders, ages 18 and older. Our clinical team has extensive experience in treating complex cases and tailors treatment plans to meet the individual needs of each client. As part of our commitment to our clients, we provide them with the ideal backdrop and help them build the foundations for their long-term recovery.

Treatment Approach

Our team emphasizes authentic connections and individualized treatment, understanding that every individual's journey is unique. Our goal is to provide a safe and welcoming environment so individuals can get the care they need to achieve their goals.

With the help of our experienced team of professionals, we offer tailored treatment plans that address each client's specific needs and goals. Our goal is to create a supportive community where our clients can establish meaningful relationships with their peers and treatment providers.

STR Behavioral Health - Cedar Creek is proud to be Joint Commission Accredited.
